Two of Hill County's finest community oriented organizations, **Hill
County Paw Pals** and **Hillsboro Police Department Community Outreach
Programs**, have joined together again to launch their ninth annual
"Waggin' Trail Bike Ride" on Saturday, May 6th, 2017. The event is
planned with five routes (94, 65, 41, 27, and 10 mile routes) to meet
the needs of the avid cyclists as well as the casual rider.

Registration begins at 7:30am with ride start at 9:00am at building
#70, Hill College, 112 Lamar Dr. Hillsboro, Texas. Hillsboro is
conveniently located 56 miles south of Dallas/Fort Worth or 32 miles
north of Waco on I-35. Hill College is just off I35 in Hillsboro.

The planned routes of Waggin' Trail Bike Ride offer cyclists a unique
tour of Central Texas. Hill County is 986 square miles of rural area
that is joined together with miles and miles of splendid paved farm-
to-market roads. With a combined population of only 33,000, Hill
County offers open spaces. On many areas of the bike ride, for miles
around, one can see the splendid beauty of open land, flowing creeks,
pastures with cattle and horses grazing, farmers' cultivated fields,
and proud, rural communities. The varied routes all explore the back
roads of Hill County and go through communities that were established
during the 1850's when Hill County was created and named after Dr.
George W. Hill, a settler who served as a congressman and Secretary
of War for the Republic of Texas.
